

CHITO & GVRITO

The Georgian
Restaurant

"Gagvimardshos!"

„გაგვიმარჯოს“

„ Cheers “ - „Be victorious “

With these words, the Georgian raises his glass, which reinforces every toast!

Every guest who comes to Georgia will at some point be invited to a Georgian table and take part in this special ceremonial ancient tradition, which consists of good food and the longest wine culture.

The original Georgian table, the so-called "Supra", describes a traditional Georgian food culture. It is Georgian tradition to place all the food in the middle of the table and share it with all guests.

Welcome to our little Georgia, in Chito & Gvrito, where we do our best to let you participate in this tradition.
